### Program Summary

The Service and Conservation Corps will have AmeriCorps (AC) members provide disaster relief, Gulf Coast restoration, and conservation of public lands in 4 states (AR, LA, OK, TX). At the end of the first program year, the AC members will be responsible for 675 acres of improved public land, 27 miles of improved trails/waterways and 90% of community stakeholders affected by a disaster will attest to an enhanced community capacity to respond to and recover from disaster events. In addition, the AC members will leverage an additional 500 volunteers who will be engaged in assisting in disaster areas and environmental stewardship projects through National Trails Day and MLK Day. This program will focus on the CNCS focus areas of Environmental Stewardship and Disaster Services.
